

**FAO/WHO Regional Workshop on the Codex Alimentarius**  
**4<sup>th</sup> October, 2010**  
**Warsaw, Poland**

**Food safety risk analysis: Developing national food safety systems  
and Codex standards**

**Objectives of Workshop:**

1. To prepare delegates for the 27th session of CCEURO
2. To discuss the risk analysis paradigm and scientific data in the context of strengthening national food safety and public health protection systems
3. To increase understanding of risk analysis processes within Codex activities
4. To identify any priorities for follow up work by FAO and WHO and other partners in the region.

**Expected Audience:** All CCEURO delegates are invited.
